

AWARE Donation Match - 8am, Dec 3

Thank you for your interest in having your donation to AWARE doubled on Giving Tuesday, December 3! The match will run out in seconds, so read these instructions before the big day, then follow them to maximize your chances of being matched:

1. Set your alarm and get up early.

Get to your computer by around 7:45am on December 3 so you can set up and enter your info well before 8am.

2. Open an extra window for an accurate clock.

The site <https://time.is/just> will give you a very accurate clock and count seconds for you. Open it up so you can see the clock and Facebook at the same time.

3. Go to AWARE's Facebook page and click "Donate."

AWARE's page is at <https://www.facebook.com/AWAREWildlifeGA/>. There, you will see a blue "Donate" button near the top on the right hand side. Click it!

4. Enter your credit card info and choose your amount.

Enter all your information - donation amount, credit card number, expiration date, security code, and billing zip code - well before 8am. (If you already have a credit card stored, you can select it - just be sure the info is up to date.)

~~5. If you are giving \$500 or more...~~

~~If you are giving \$500 or more, Facebook will give you a "Confirm your donation" dialog, so you will need to go ahead and click "Donate" on the first form before 8am. A small window asking you to confirm will pop up, with the options "Cancel" or "Donate." That "Donate" button will be the one you want to click in step 6.~~

It looks like FB has removed this confirmation step, so proceed to step 6!

6. Be on this step by 7:55am... then...

Put the mouse over the "Donate" button at the bottom right of the form and **the instant you see "8:00:00am"** on the accurate web clock, click away!

That's it! If you have questions, email us at admin@awarewildlife.org. Thank you!
