

AWARE Wildlife Center Item Donation List

Thank you for your interest in supporting our work to save injured and orphaned wild animals! We need a wide variety of supplies to do our rehabilitation work. For any of the categories below, we can use large quantities of new (and in certain cases like towels, used) items. You can also purchase items through our wish list at awarewildlife.org/wishlist and make cash donations at awarewildlife.org/donate.

The most critical items are marked in red, but every item on this list helps a lot. We can take dropoffs of donations 24/7 on the front porch of our center at 4158 Klondike Road, Stonecrest, GA 30038 (<https://goo.gl/maps/WbbXeaZMfugyHbJs9>). For perishable items, please drop off between 10am and 7pm, 7 days a week. If you have questions, just email help@awarewildlife.org and we'll be happy to guide you. Thank you!!

Items We Need

- Food
 - **Cat food - canned and dry**
 - **Dog food - canned and dry**
 - Waterfowl crumble
